Subject: Lane Plating RI Phase One Data Report
Attachments: CAG site update 9-26-19.pptx; Draft- Lane Plating Phase 1 DSTM Rev 01_12Nov19.pdf

Ed,

The Draft Lane Plating Phase One data report is attached. Please share with members of the CAG. Let them know this is still considered a draft version that is not for release to the public until the CAG and other stakeholders have had a chance to review this document. I can go to the meeting on the 18th to discuss the report. Let me know if there were any other issue from the CAG meeting that I need to address
